THE FUTURE IS NOW

"Destiny is not a matter of chance, it is a matter of choice; it is not a thing to be waited for, it is a thing to be achieved."

— William Jennings Bryan

1980 . . . a new time, a new decade.

Azle High School charged into the '80's like there was no tomorrow. It was evident from the first day of registration in August that Azle students were not going to settle for a "routine" school year. The varsity football team started this "take charge" year by ignoring sports writers' forecast of mediocrity. They decided to go for it . . . and they did! Their character and desire rubbed off on the entire student body. The Student Council put together a variety of super student activities and other organizations became equally involved. No one seemed content to wait for something to happen — they made it happen!

★ STUDENT LIFE ★

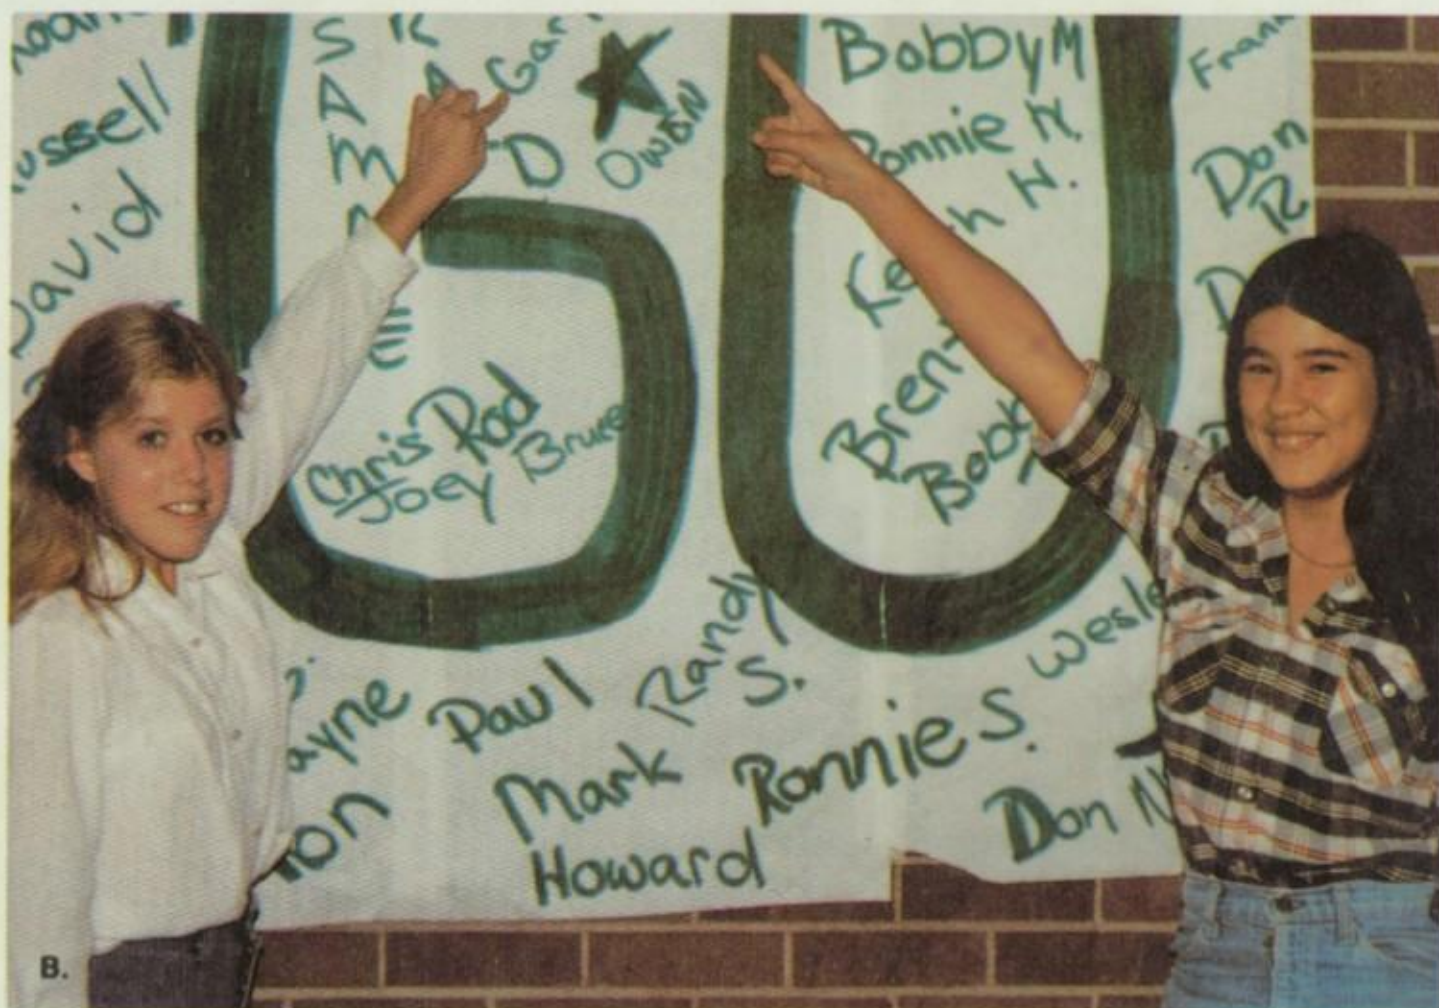

HORNET HYSTERIA

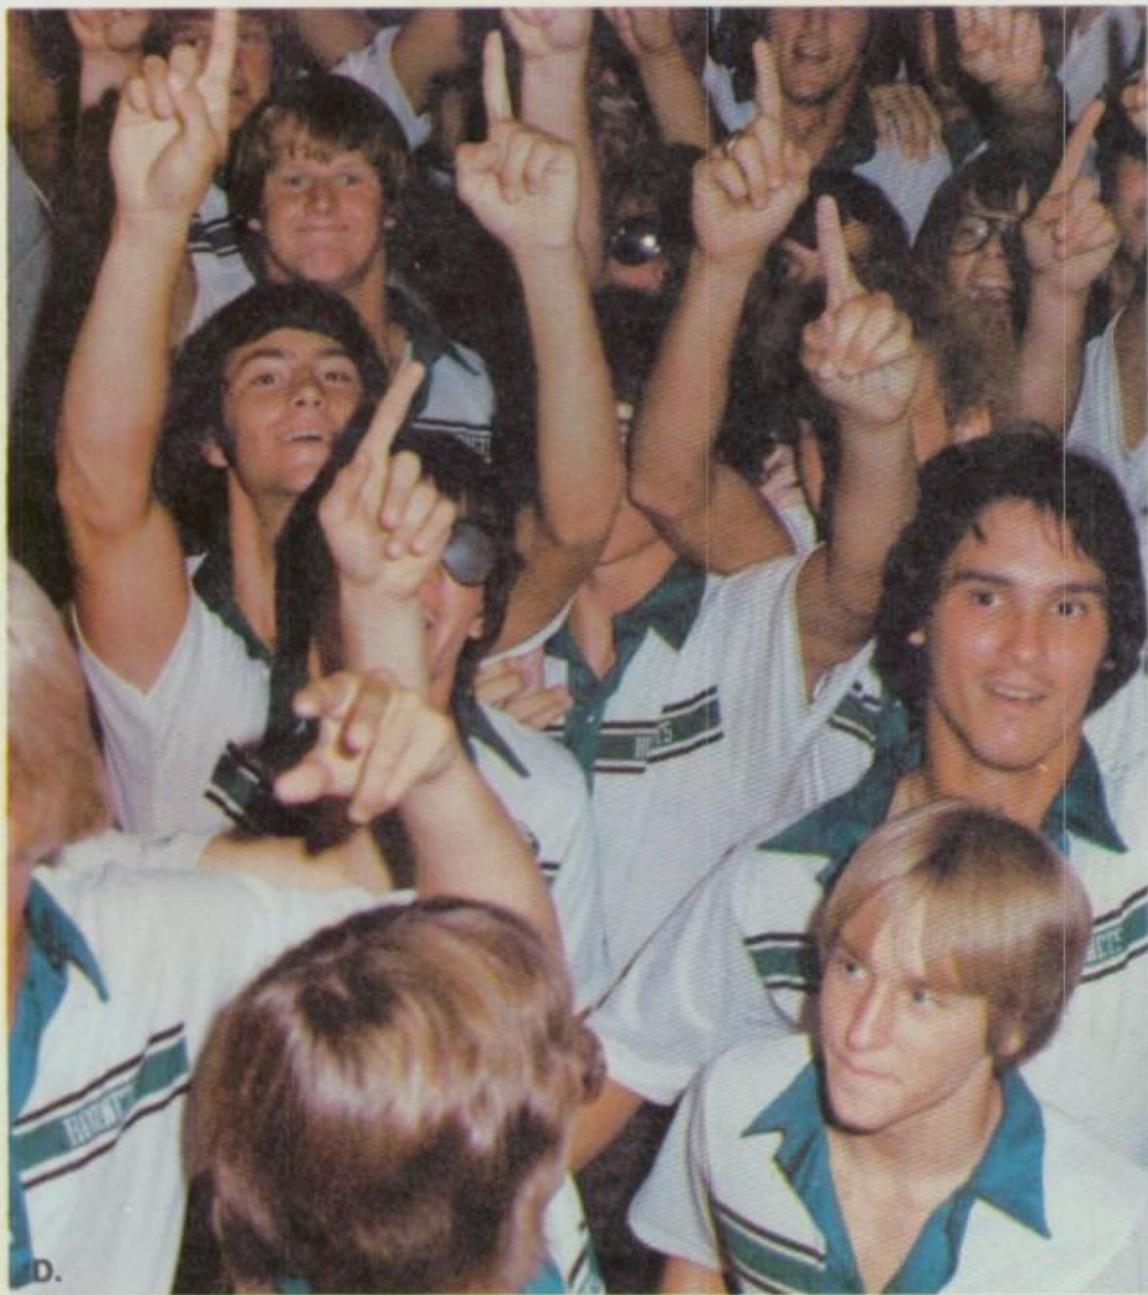

Take pride, spirit, a winning football team, a very active student body and a positive attitude, mix them together and you get ... HORNET HYSTERIA!

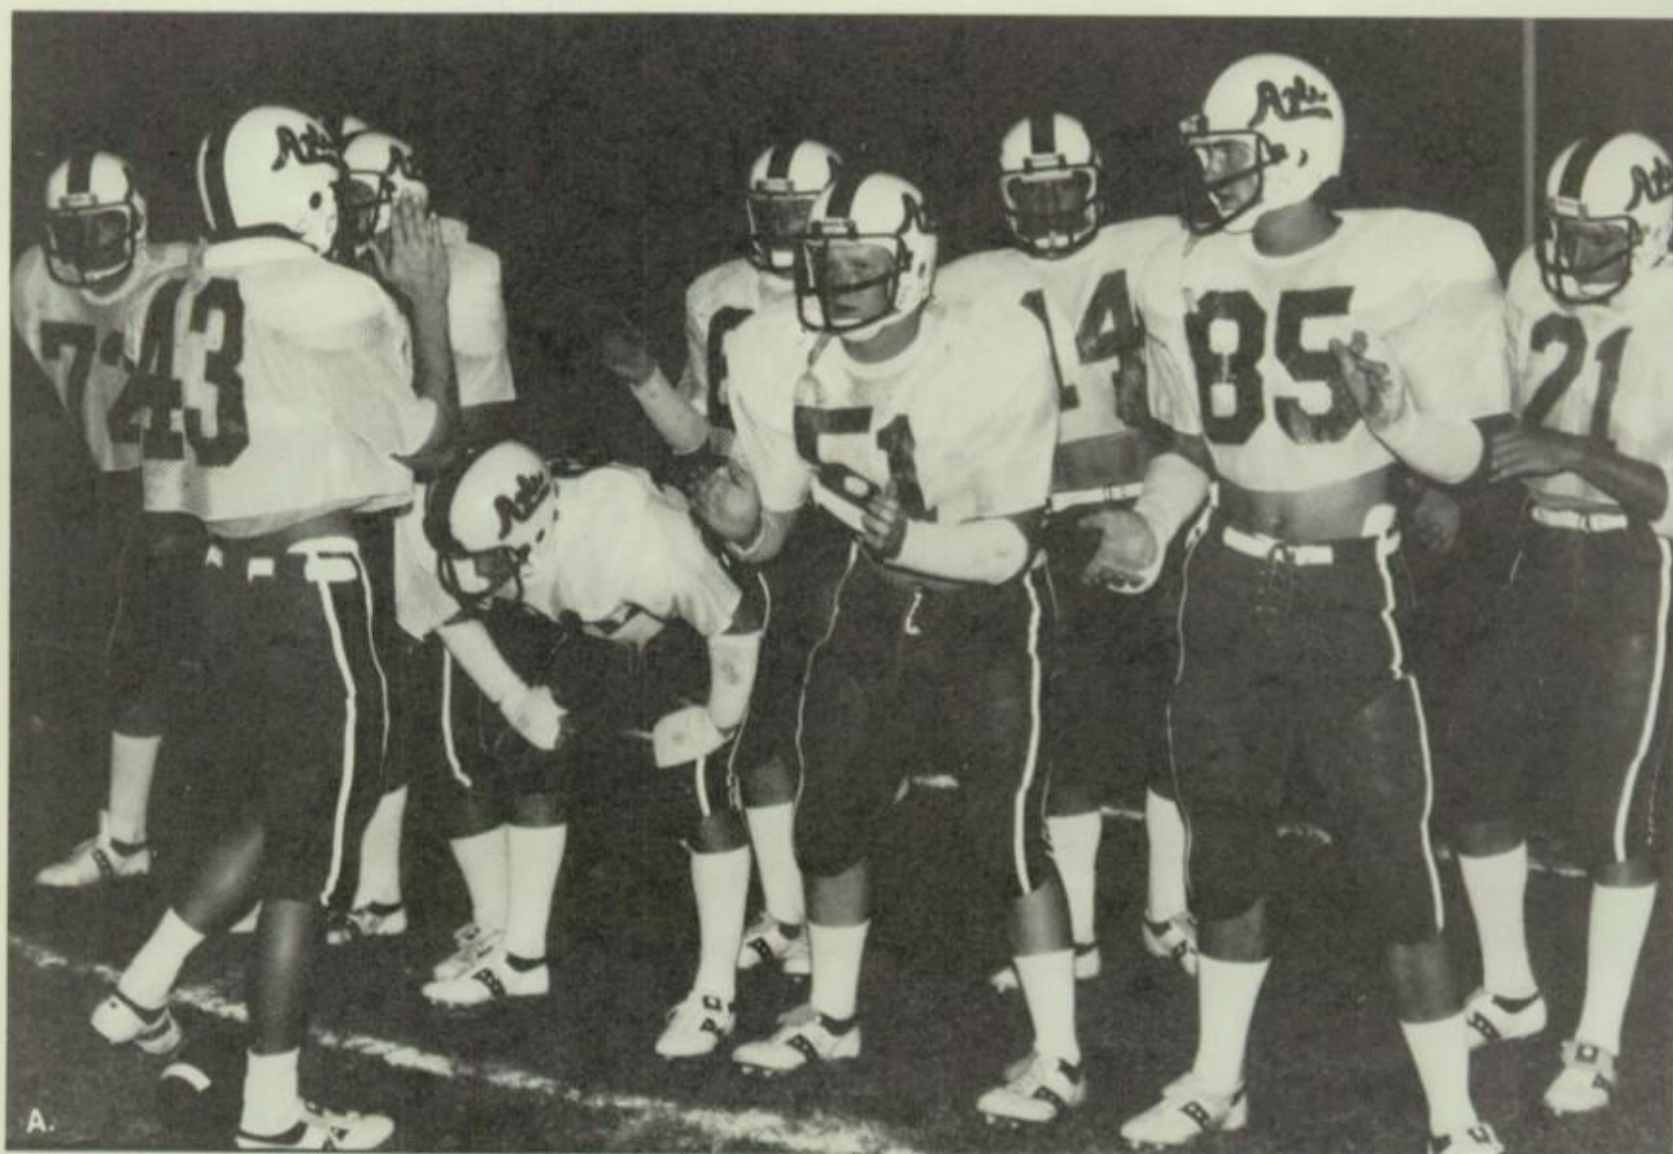

Hornet Hysteria is not just a winning football team, it is a winning attitude. Students, organizations, and teachers really made things happen. This enthusiasm spread throughout the town. What started out as a catchy slogan turned into reality ... HORNET HYSTERIA!

- A. Junior and senior students get hysterical during the homecoming pep rally.
- B. Desi Presley and Rayna Fitzgerald show off the freshman football spirit sign.
- C. Making locker signs is just one of the weekly chores for the cheerleaders.
- D. Football players get fired up too. These varsity players get ready to strut into the gym before a pep rally.
- E. 7:30 A.M. practice sessions are routine for tuba player Doug Haas.

- A. DEFENSE ATTACK! The mighty Hornets call a play to stop a Decatur offensive drive.

- C. Who is that masked man? Martin Caddell and Mike Dumas don't seem to be too concerned about the pep rally visitor.
- D. "Bandage the Bears" was the theme for the Brewer pep rally, and Marla Nelson, Jackie Alexander and Marian Bedford came prepared.
- E. Surprise pep rallies in the mall are common for the "really big games" and the Green Pride played a major role in them.

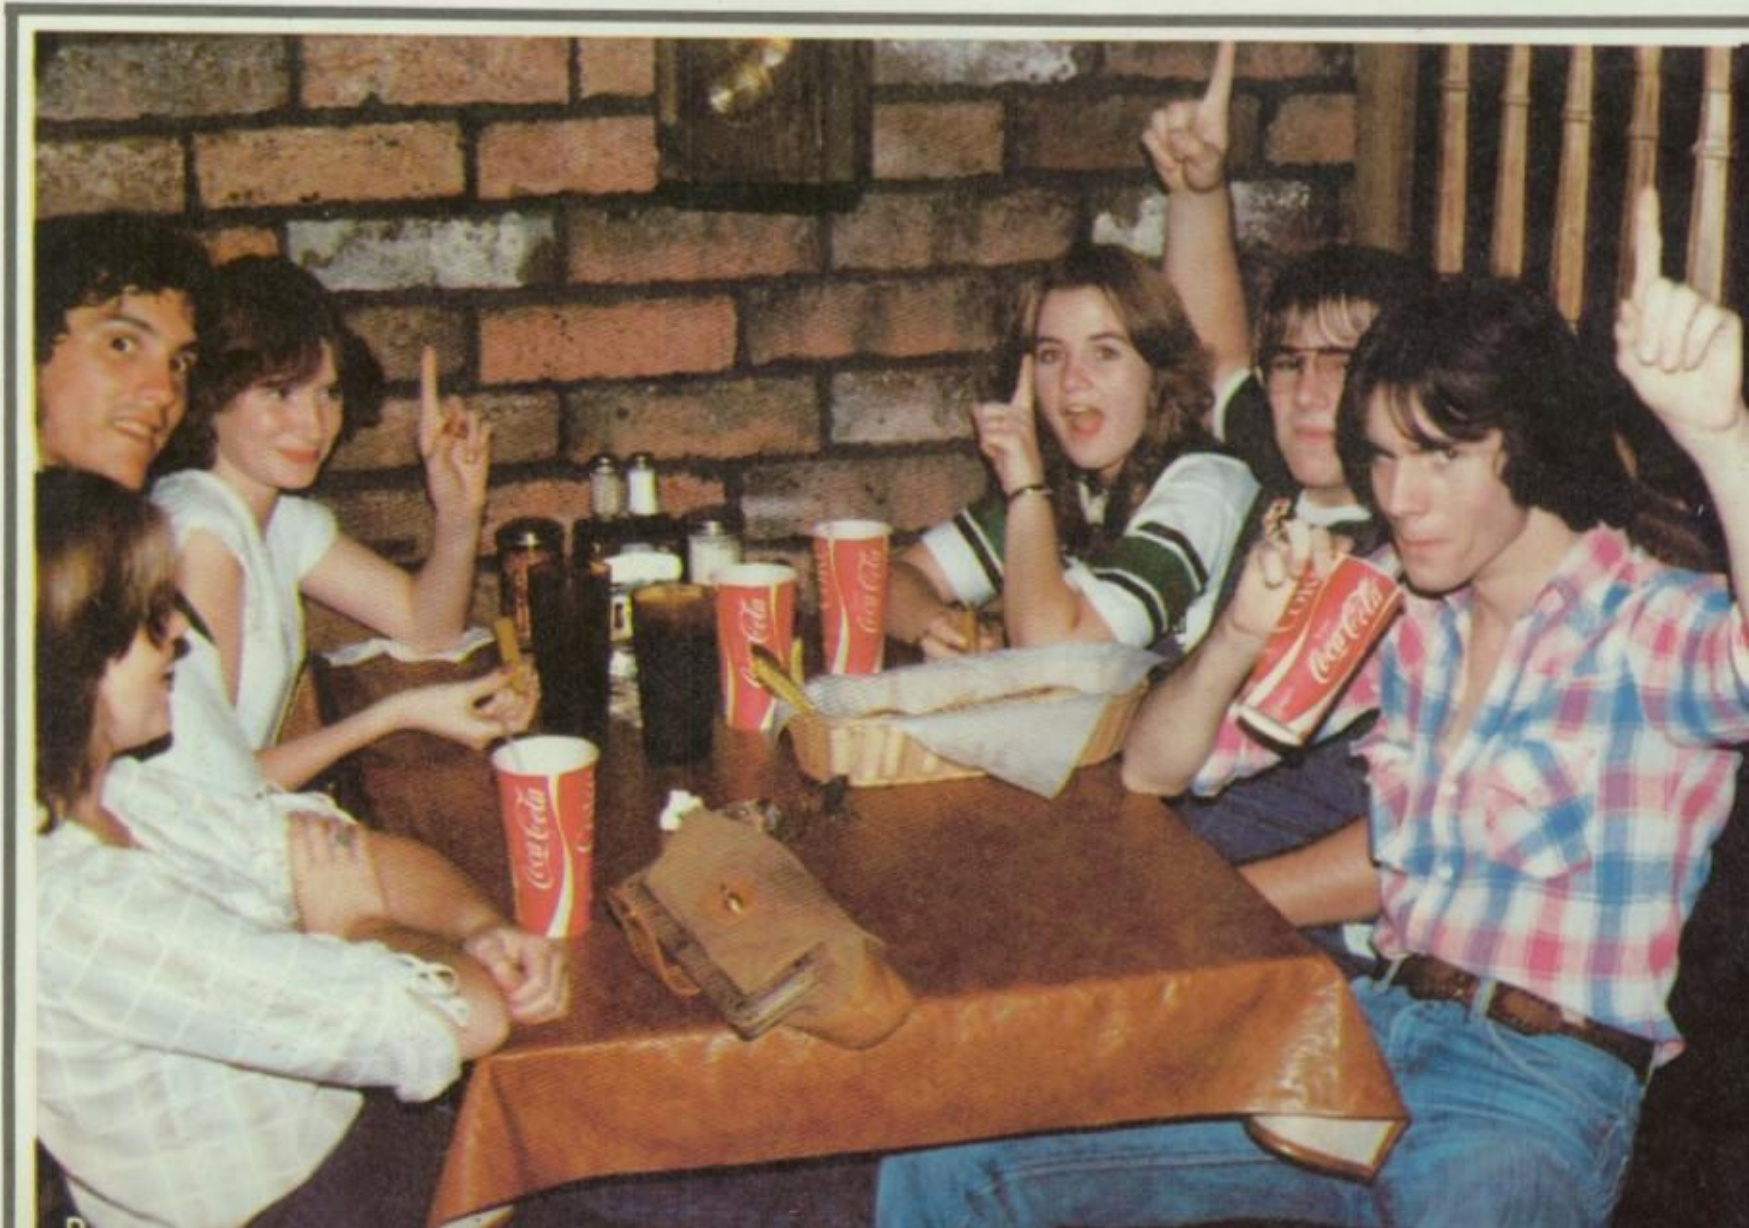

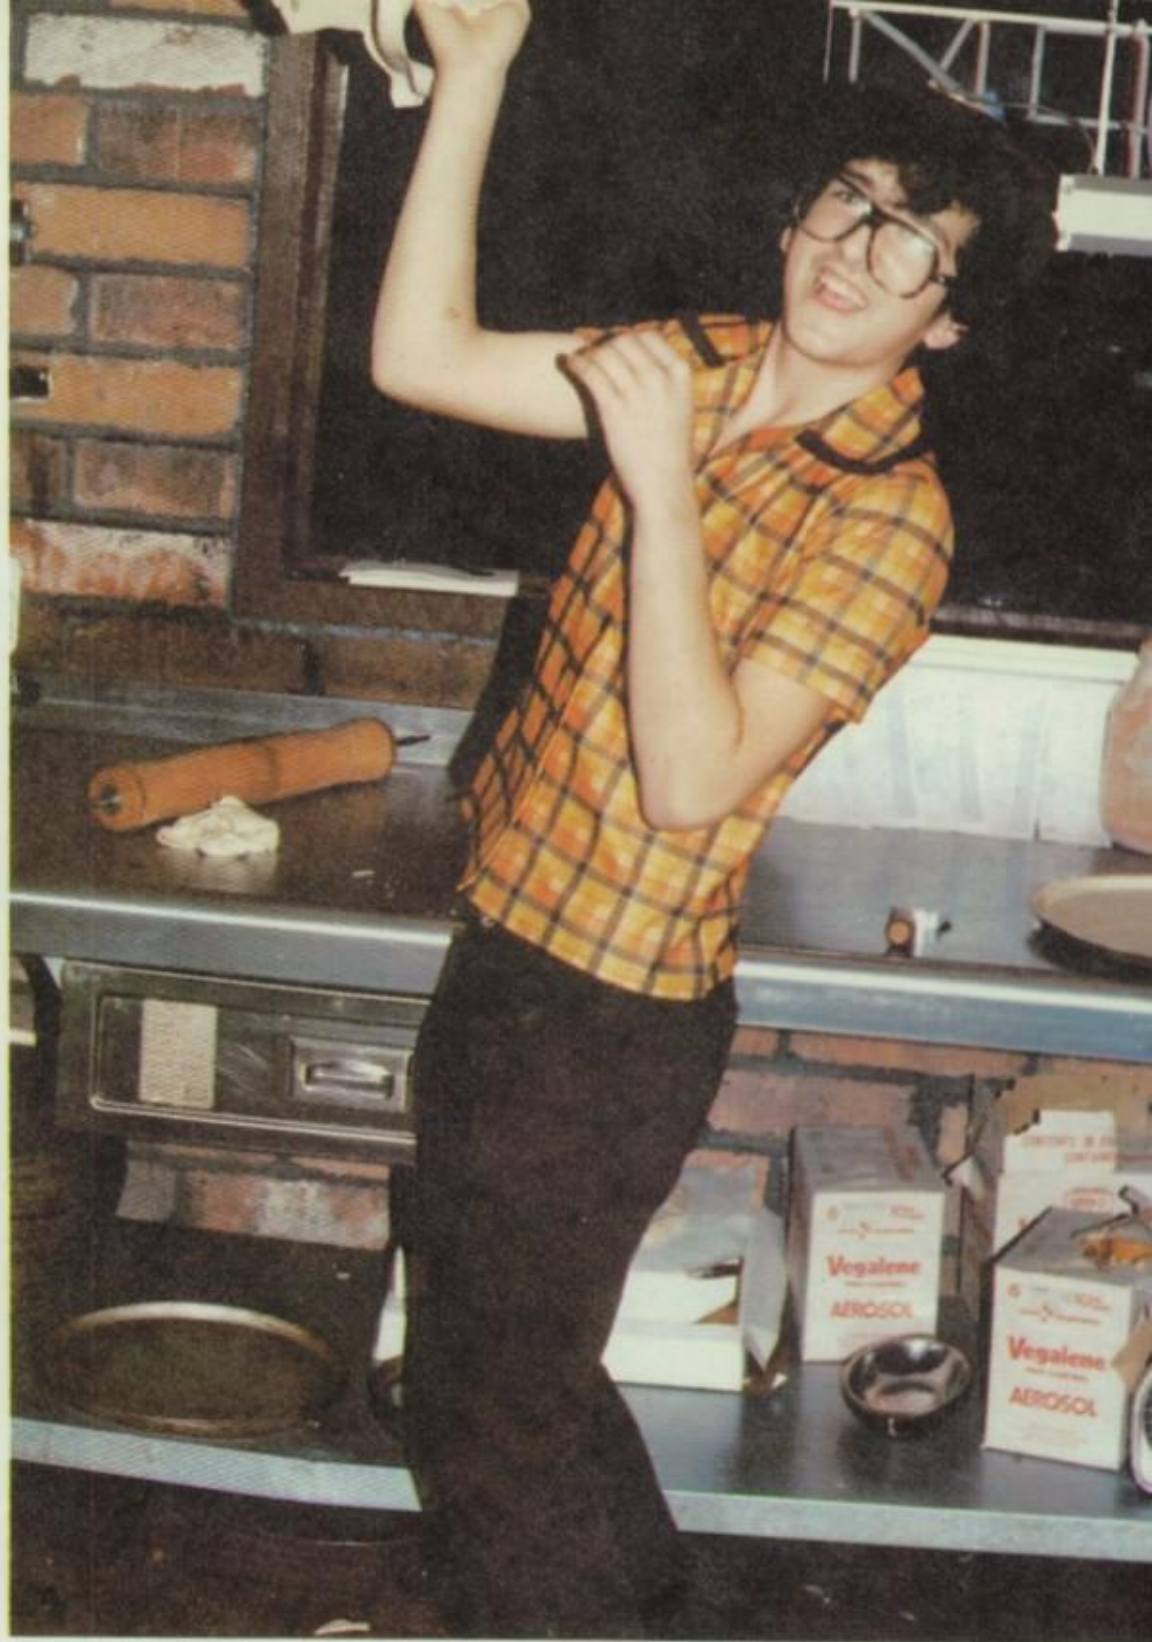

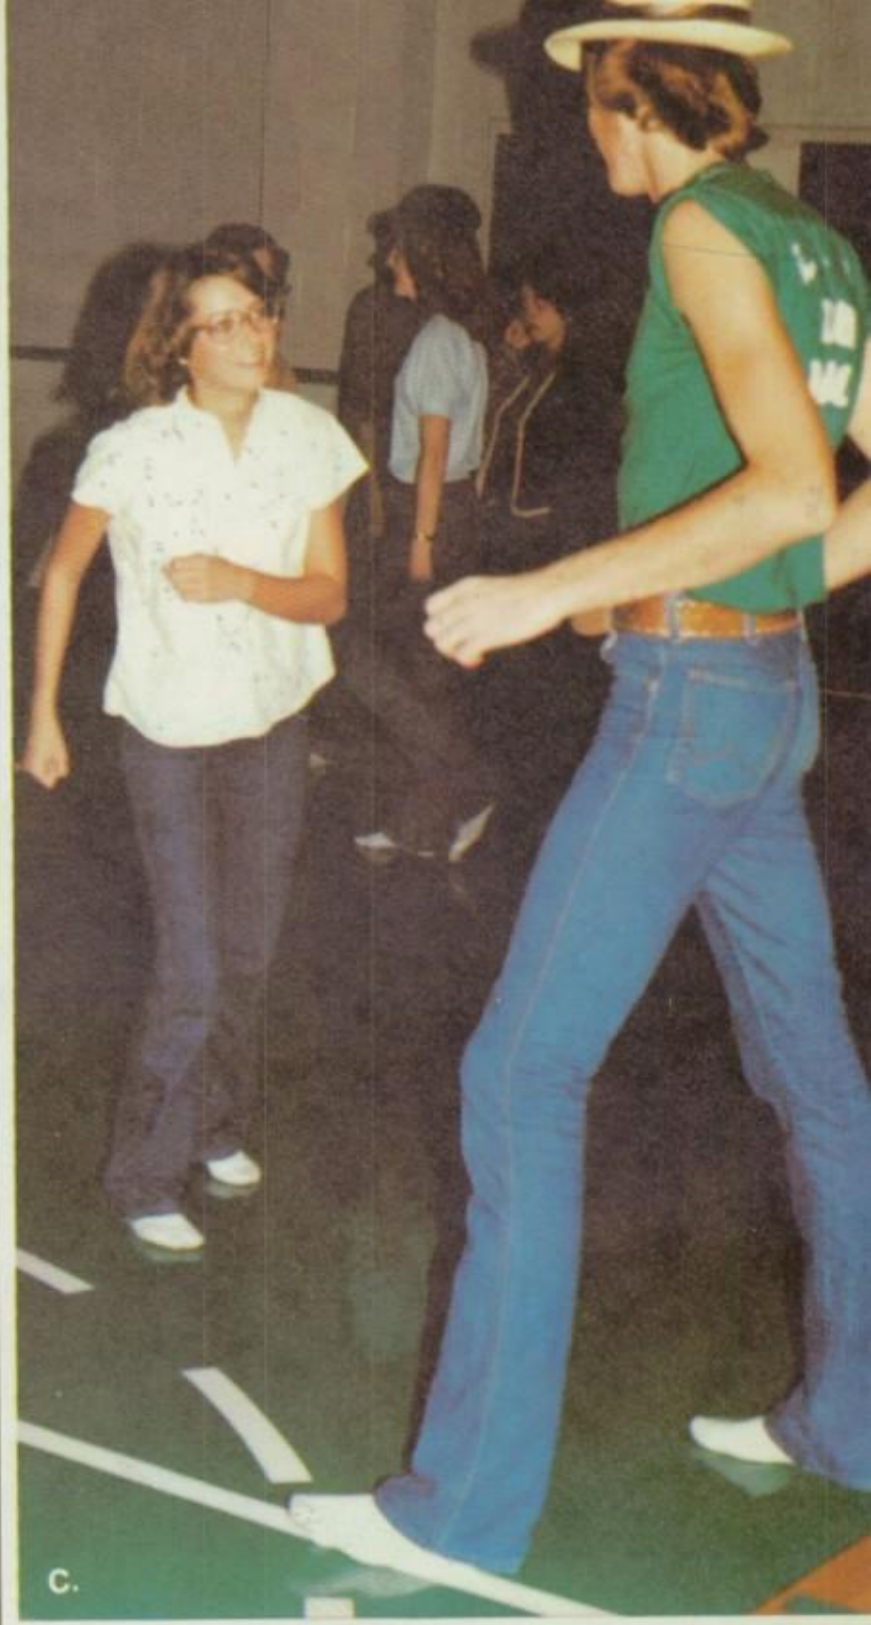

Night Time Is the Right Time to . . . PARTY!

Every town has a hang-out and Azle is no different. Whether it's Taco Plaza, Pizza Inn, a party at the lake, or a night spot in Fort Worth, it just wouldn't seem right to go straight home after the big game.

- A. John Zuniga missed the action Friday nights at Hornet Stadium but he was right in the middle of the post-game activity at Pizza Inn.
- B. Gotta have some gas to go cruisin. Lisa Hughes, Gary Clark, Darla Ewing and Tonie Rollins make plans for a night of fun.
- C. "Victory" dances are a great way to release energy. Brenda Warden and Landel Hobbs strut "their stuff."
- D. A familiar sight. Michelle Jones, Gary Stewart, Laurie Cotton, Dana Cockerham and Jimmy Baxter socialize at Pizza Inn.
- E. There's an eagle under there! The big "D" swarms at Decatur.

MARCHING GREEN PRIDE

The Azle High School Marching Band is a source of inspiration and spirit to Azle High School students and faculty. The Green Pride ranked eighth in the state and was named Best in class 3A in October at the Westlake Marching Festival.

Along with a new feeling of spirit shared by band members and student body, the Green Pride also has new uniforms, designed by Tony Matthews.

"I'm very, very, pleased that the student body and townspeople accept the band the way they do," said Mr. Fox.

The students and faculty at Azle High School are also proud of the Green Pride this year for their outstanding accomplishments and performances.

Jayne Miller

Mr. and Miss AHS

Mike Meyer and Jayne Miller were chosen by Azle High School teachers to be Mr. and Miss A.H.S. This is an award that honors two outstanding seniors. Unlike a lot of "name awards," Mr. and Miss A.H.S. represents these students individual accomplishments and service to Azle High.

"United, Loyal, and True School Spirit."

"I will never forget this great year," said Jayne, "because it represents the end of a very special part of my life and a beginning of another." For Mike, this year is, "deciding on a college and getting out on my own. Having fun because it's my last year in high school."

Mike has been involved in football, basketball, track, Industrial Arts, and Student Council. He also served as class president his Sophomore and Junior years. Jayne is a member of the Student Council and president of the National Honor Society. She served as Homecoming Chairman this year and was voted "Most Likely to Succeed." Future Business Leaders of America with the help of FBLA sponsors Miss Schoenemann, Mrs. Maynard, and Mrs. Wright is one of the fastest and largest growing groups at Azle High School.

FBLA has only one fund raising project all year; that is selling candy bars at school.

The profits from the fund raising help the FBLA members attend District and State Conferences.

At the District Conference held at L.D. Bell High School in February, Robin Akins was a nominee for District vice-president and Courtney Rambo was a nominee for District treasurer.

Industrial Arts Club has two main purposes. One is to compete in three levels. The students select a project that takes most of the year. Then they take it to local competition in Azle. The student must place first, second or third in local competition to be able to go to the regionals at North Texas State University. The third level is the state meet in Waco.

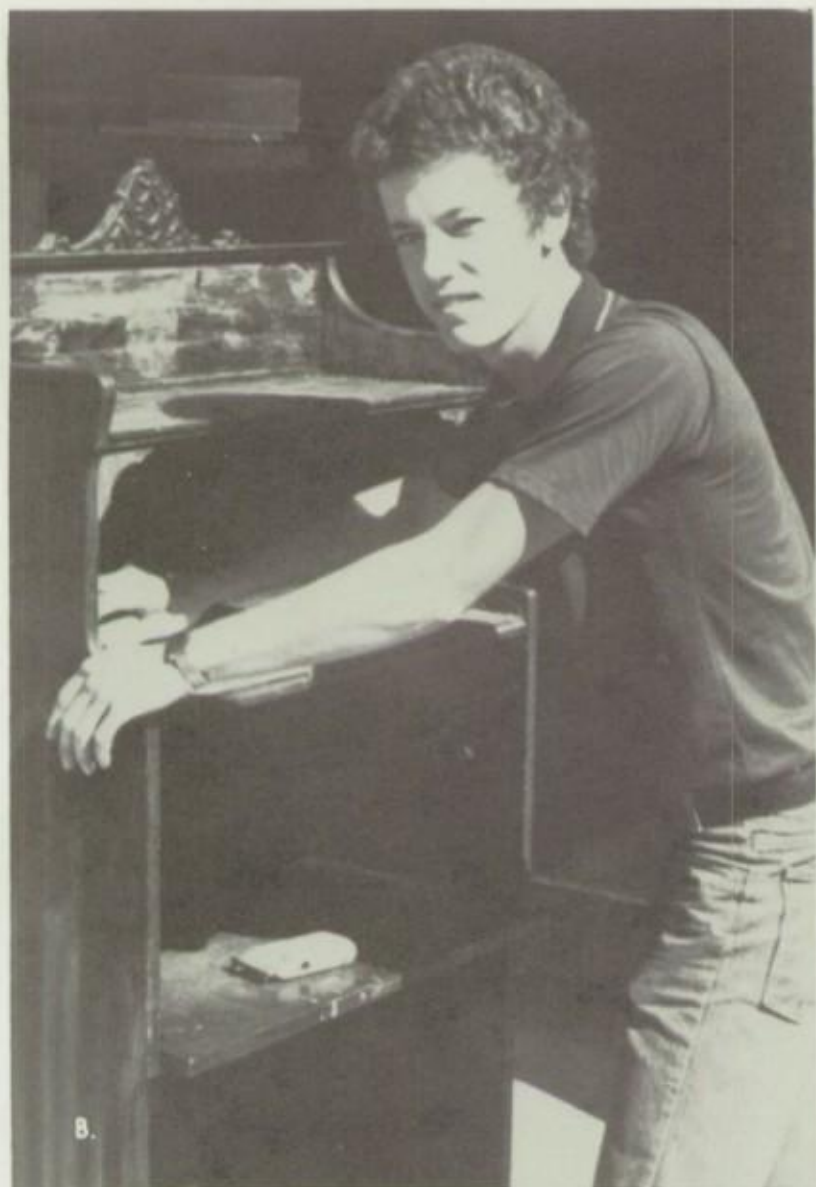

Another purpose is to do community projects. One project was to clean a house that had been burned down, help people clean their yards, and a canned food drive was conducted during Christmas. The club that has the most points by the end of the year is awarded Most Outstanding Club in the state.

If you haven't taken Art in high school you don't know what you have missed. Art is one of the more relaxing classes where you can get away from books and paper work and learn to work with your hands.

The Art classes introduce a new project each year. This year it was weaving, which is one of the more popular projects. Ceramics or clay is another popular project for art students.

They attended the state convention in the early part of March, and read stories to the primary grades at Eagle Heights and Walnut Creek.

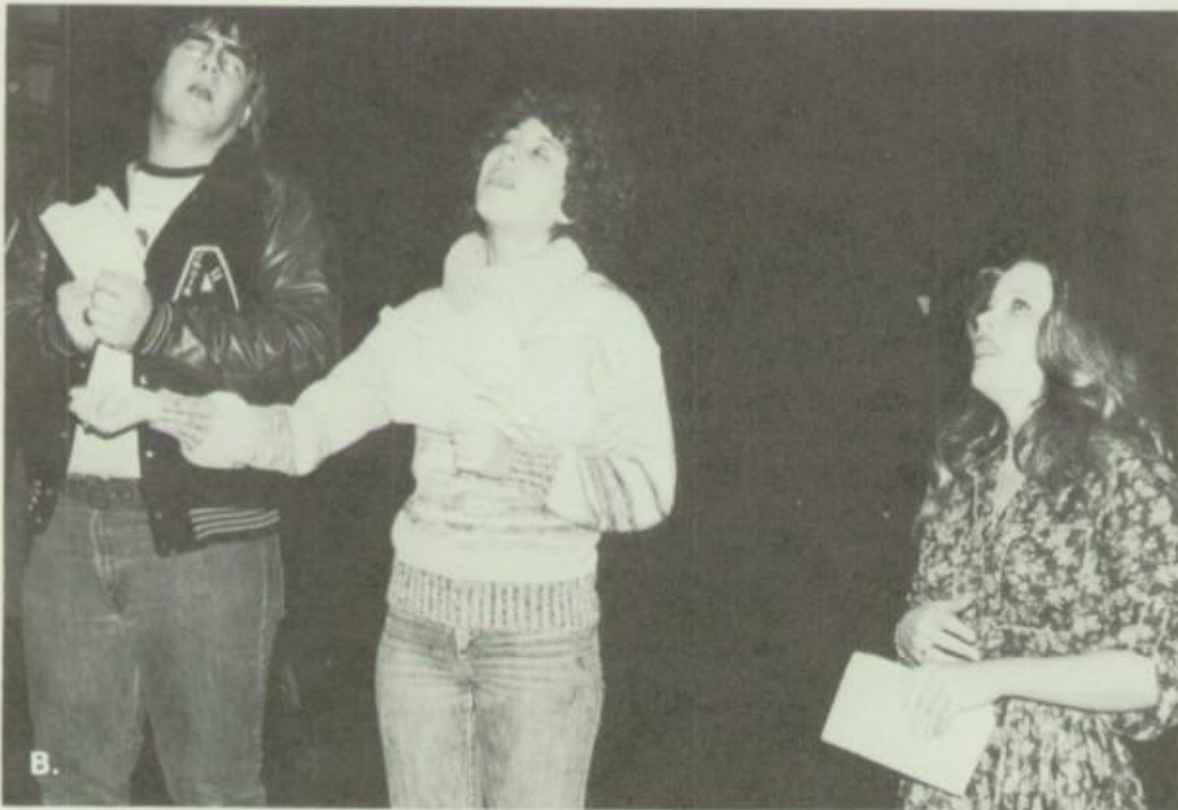

These girls are demonstrating books that they read to the primary grades on Halloween, Christmas, and Easter.

DECA

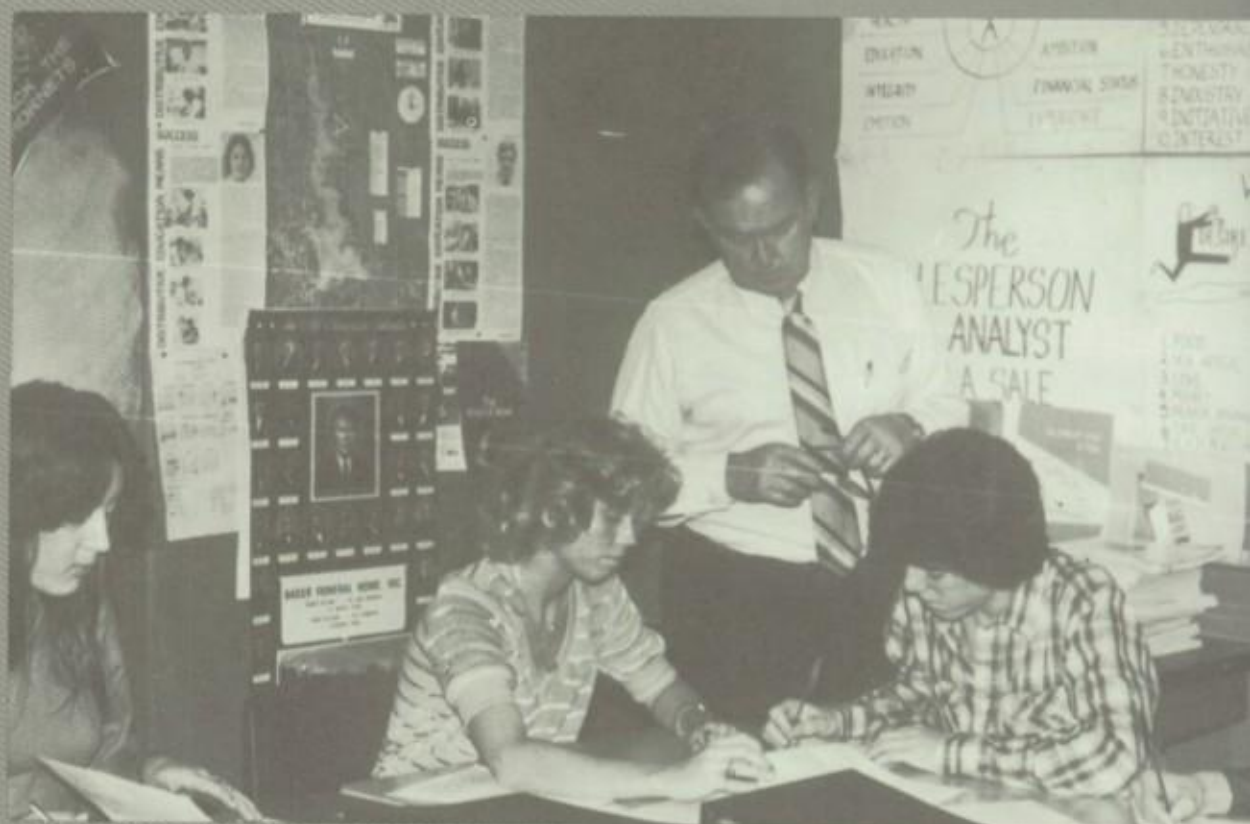

DISTRIBUTIVE EDUCATION CLUBS OF AMERICA

DECA is a class for students working in the field of marketing and distribution.

All DECA students have early dismissals and receive credit for working. They obtain great experience on the job which helps them decide on their future careers.

One of the biggest advantages is the extra spending money for that new car or those new clothes.

The officers are: president; Boyd Green, vice-president; Kenny Padgett, secretary; Grace Kreutzer, treasurer; Vicki Padgett, reporter; Dezra Womack, historian; John Gottlob, parliamentarian; Lonnie Pinneke.

In class the students learn more about themselves and the working world.

C.V.A.E., or properly known as V.O.C.T., students are working and learning with the help and guidance of Mr. Tom Shelton, in his third year as sponsor at Azle High. They receive early dismissals and credit for working. College visits and field trips are taken to help prepare students for the "Outer World."

Students compete in district meets where scrapbooks, job interview, speech, and leadership contests are entered.

Those working in wood, automotive, and metal shops can display some of their personal craftsmanship on engines, furniture, and original artwork.

The main event on Hillbilly Day is the annual C.V.A.E. vs. Azle Police Dept. baseball game to raise money for the organization. C.V.A.E. also has sold beltbuckles, candy, and Azle Hornet spirit pennants.

Besides being competitive the choir is also school oriented and they prove it by giving concerts, sharing concession stand duties and participating in the spring musical (Guys and Dolls) given by the combined efforts of the choir and drama departments. A benefit concert was given for the Doug McAfee family before Christmas. There are approximately 120 members in choir and four groups which make up the

organization are Chorale, Choraliers, Nickelodeon, and male chorus. Mr. Jordan has been the choir advisor for 4 years.

Ward McAfee, Gary Stewart and Brian Savage made the first cut in All Region while Kevin Smith made first alternate and Rachael Jewell made second alternate. Brian Savage went on to win first alternate at State.

Last summer, the Varsity cheerleaders attended cheerleading camp at Sam Houston State College in Huntsville, Texas. The cheerleaders won the Spirit Stick again this year and received 4 superior and 2 excellent ratings.

The cheerleaders worked long hours before games making locker and game signs. They also kept "Hornet Hysteria" at its peak.

“HYSTERIA” BOOSTS HORNETS

Hornet Hysteria boosted the 1979-80 Hornets to a victorious season. The Hornets started out by defeating Jacksboro in the season opener followed by exciting wins over Decatur, Weatherford, Castleberry, Brewer, and Carter-Riverside. The Hornets ended their six game winning streak after their loss to the Northside Steers, 12-0. Hornets then came back to defeat Diamond Hill and Keller. Their final loss to Boswell in their last battle of the season left them with an 8-2 record.

Azle was well represented by having twelve All-District players, seven of them first team. Senior Mark Francis was named “Defensive Player of the Year.”

OPPONENTS RUDE TO HORNETS

The Junior Varsity struggled through tough competition ending with a 3-5-1 record. They defeated Castleberry, Brewer and Northside in district competition but couldn't get it together the rest of the season. Coach Dwain Bates feels the teams strong point was their outstanding defense. The offense came around slowly but progressed throughout the season.

It was a LONG Season . . .

The 1979 Freshman Hornets finished a long season with a 4-5-1 season record. Coach Mike Rankin, with the help of Burl Fonville and Danny Gray, pushed the team through a 2-3-1 district season.

Since most district teams didn't have enough participation to form "B" teams, our "B" teamers played only three games finishing with one win, one loss, and one tie.

BUMP, SET, SPIKE

The Varsity volleyballers had a tough season. First of all, they had no varsity experience. Secondly, although they never gave up, the team finished with a 7-7 record in district competition. The team consisted of only 3 seniors and 9 juniors.

With the help of a lot of hard work, Azle had two players awarded district honors. Senior Gretchen Wighaman was chosen 2nd team All-District and Michelle McKenzie was awarded Honorable Mention.

VARSITY HORNETS

The boys weren't on the winning end of the scoreboard much this season but they fought and scratched the entire way. Mark Carter took hold of the varsity reins for the first time and did a creditable job teaching his aggressive style of play.

With a District record of 5-8, and a season record of 11-16, the team brought home a consolation trophy from the Ft. Worth Lions Club Tournament, and a second place trophy from the Azle Tourney.

WHAT IS

A place to catch up on lost sleep?
A place to talk to your friends?
A place to show off your new car?
A place for fun and games?

NO! It's a place to take advantage of classes and subjects you want to learn more about — free!

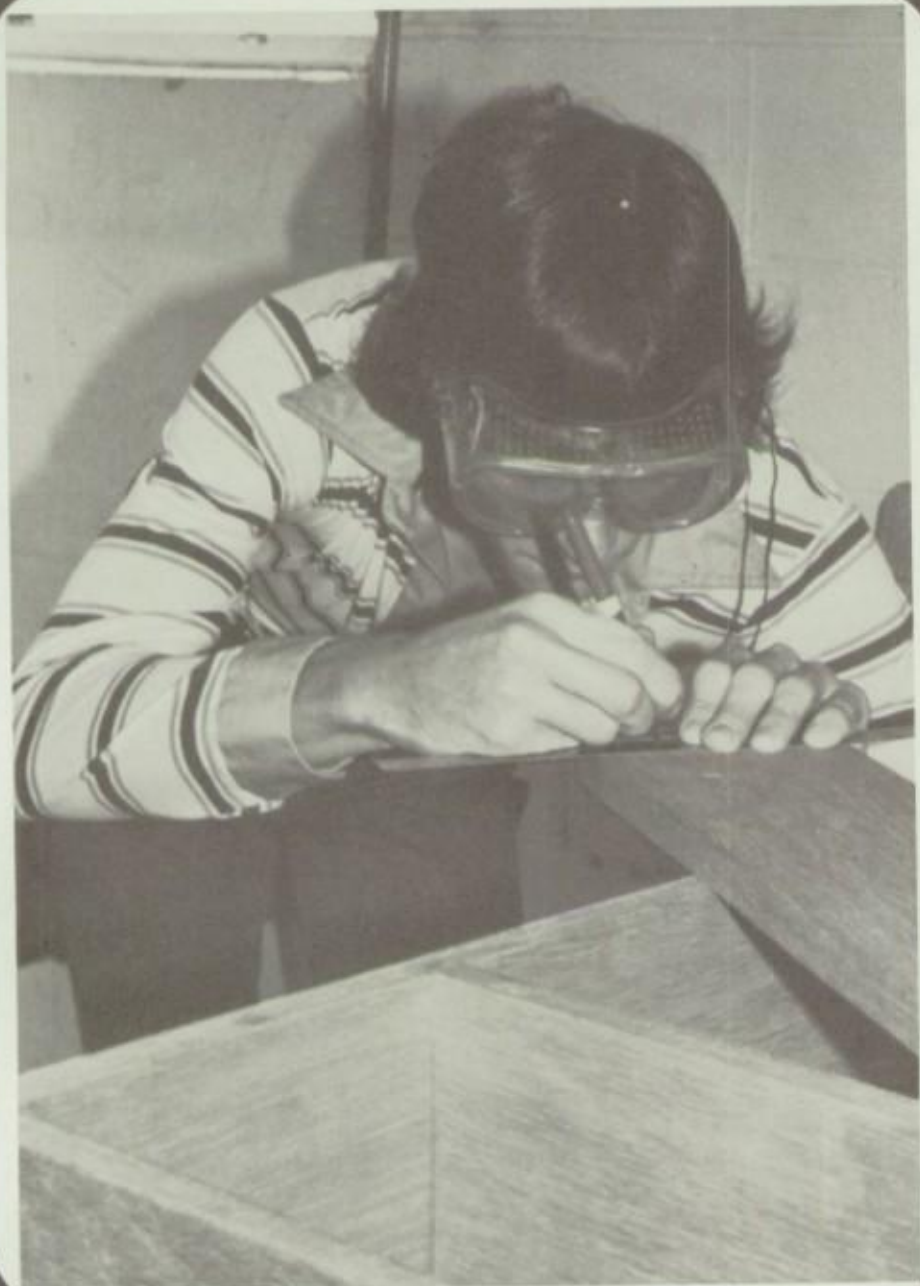

It is a place to find yourself and to realize what you do best. It is a place to learn to understand others.

School assists you in discovering how and in what areas you want to further your education.

Is There Life After High School?

E.

"An enlightening experience for students" would best describe the overall picture of Career Day. Dr. Rodney Short was the keynote speaker at A.H.S. He was informative, funny, and enjoyable.

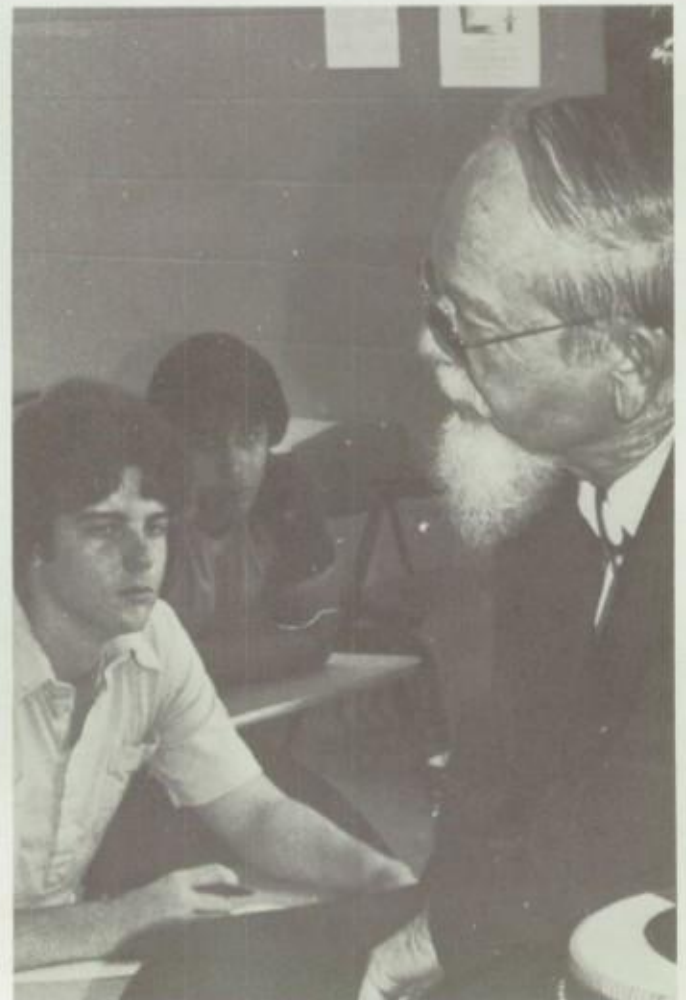

By sponsoring Career Day, the Guidance Department here at A.H.S. displayed a caring attitude which reflected on the students and made them want to get the most out of Career Day. And they did!

Well I guess I'll just come
right out and say what I
want to say but I really
don't know how to spell
those kind of words but really
I love ya ~~and~~ ⁱⁿ a ~~real~~ ^{real} special
kind of way you've really
been a great friend and a great
shoulder to cry on. I really
think a lot of you and
I hope you know it I'm
sorry if I sometimes seem
stuck up cause I don't mean
to be so forgive me for
that and be very, very, very
careful this summer cause
I wouldn't want anything
to happen to my Garry-Babe.
See ya later

Hiess,

I don't know what I would have ~~do~~ done without you this year. Or any year at that. You have to help when the hard times come. And so far you've done an excellent job. I'm always going to depend on you. And whenever you need someone to talk to, you've got my number. You've got to make the last year for me the best. And I'll come back the next year and help you out. You've got to be one of the bestest friends a person could ever have. And thanks for being that friend. If anyone deserves the best H.S. years that's you. I hope you keep in touch this summer and we can go skiing alot. I know you would want you to watch over me like your big sister. So take care and Be Careful this summer. (I'll make sure of that). I Love You Always.
